As a new patient at Piedmont HealthCare Psychiatry and Behavioral Medicine, we request that you complete the enclosed paperwork in advance of scheduling your appointment. Duplicate copies of these forms are available on the Piedmont HealthCare website.

In order to secure a new patient appointment slot, the paperwork should be received in our office by fax, dropping it off in person, or via standard mail. Preparing your file in advance is important in securing a productive first visit to our office. Please plan to arrive 30 minutes prior to your scheduled time in order to complete other documents required for the new patient intake process.

As soon as your intake forms arrive, we will contact you to schedule your appointment. Once scheduled, if the appointment date and/or time needs to be changed for any reason, please contact the office at least 24 hours in advance at 704-978-3570 so that we may assist you with rescheduling your appointment. We will not reschedule "no show" or a late cancellation of your first appointment.

We desire to provide the best possible patient care as you receive treatment and services at Piedmont HealthCare Psychiatry and Behavioral Medicine. If you have questions or concerns, please do not hesitate to call the office at 704-978-3570. We look forward to meeting you, and we welcome you to our practice.
