

# Welcome to a new world of hearing.

## Oticon | Alta2

*The Alta2 Design RITE and Mini RITE fit discreetly behind your ear. The invisible Alta2 fits deep inside your ear canal. Hearing devices shown actual size.*

### Alta2. Better hearing by design.

Open yourself to unlimited possibilities with Alta2, the remarkable new hearing device that's customized exclusively for you and your unique hearing needs. Because it features Oticon's fastest processor ever, Alta2 lets you hear and understand even soft speech better. Super small, it fits invisibly in your ear canal or tucks discreetly behind your ear. Inside, Oticon's revolutionary BrainHearing™ technology works in harmony with your brain, automatically adjusting and optimizing sound so you can hear more clearly, naturally and effortlessly, in any listening situation.

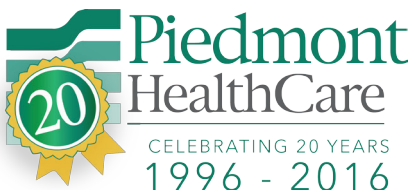

**Consult with us today to hear how Alta2 can broaden your horizons.**
